# OVERVIEW FOR PARENTS AND STUDENTS

This brochure contains information on courses offered by North Metropolitan TAFE (NMTAFE) as Vocational Education and Training Delivered to Secondary Students (VETDSS).

## What is VETDSS?

VETDSS is a program delivered to Year 10, 11 and Year 12 school students as part of the Western Australian Certificate of Education (WACE).

VETDSS courses are specifically chosen to provide students with clear career pathways after high school. VETDSS courses give students practical skills and an understanding of what to expect from the workplace and, once completed, may provide credits towards other nationally recognised qualifications, or lead to employment.

NMTAFE offers a range of courses and pre-apprenticeships as part of our VETDSS programs.

## Why choose VETDSS?

- Gain a nationally accredited VET qualification and units of competency while completing your WACE;
- Develop practical, industry specific employability skills;
- Gain an understanding of the world of work, providing you with valuable experience to assist with planning and pursuing your career pathways; and
- Attend a NMTAFE campus one or two days per week to complete your course and participate in your normal school program on the other days.

## Eligibility

NMTAFE offers VETDSS courses to all secondary school students throughout the Perth metropolitan area.

To be eligible to apply you must be:

- Completing Year 10, 11 or 12 in 2026.
- An Australian Citizen, Permanent Resident or temporary resident holding one of the following visa types:
  - » holders of a sub-class 300, 309, 444, 445, 461, 785, 790, or 820 visa;
  - » secondary holders of a temporary visa of subclass 188, 457, 482, 489, 491 or 494 visa;
  - » holders of a Bridging Visa E (subclasses 050 and 051) where the visa holder has made a valid application for a visa of subclass 785 or 790;
  - » Ukraine citizens who are holders of a visa sub-class 449 or 786;
  - » Afghan citizens who are holders of a visa sub-class 449; and
  - » holders of a bridging visa who are eligible to work, and who have made a valid application for a subclass 866.

## Fees and charges

Secondary school students undertaking VET courses as part of their secondary education including pre-apprenticeships in schools (PAIS) courses are exempt from tuition, resource and enrolment fees (excludes Fee for Service courses). However depending on the chosen course students may be required to pay incidental fees, obtain a First Aid Certificate from an external Registered Training Organisation such as St John, purchase a uniform, protective equipment, text books or trade equipment/tools.

## How to apply for a VETDSS program

Please contact the VET Coordinator at your school for information on how to apply.

**Applications for 2026 open Monday 21 July 2025 and close Sunday 31 August 2025.**

Our VET Delivered to Secondary Students courses are extremely competitive, therefore it is recommended you provide as much evidence as possible to support your application. These documents must be uploaded when applying through our online application system.

To complete the application you will need:

- Western Australian Student number (WASN). This can be found on your school report or speak with your school's VET Coordinator;
- Unique Student Identifier (USI) number. If you have not already created an USI then you will need to visit [www.usi.gov.au/your-usi/create-usi](http://www.usi.gov.au/your-usi/create-usi);
- Year 9, 10 or 11 school report in an electronic format i.e. PDF ('C' grade or above in General Mathematics and English is required for all programs);
- OLNA (Online Literacy and Numeracy Assessment) Report (if applicable);
- Parent/guardian email address and mobile phone number; and
- A Student Statement outlining why you should be selected to participate in the course (please note there is a limit of 1000 characters that can be entered in this section).

The school will be asked to endorse and support the application before the selection program begins. For more information, please contact your school VET coordinator.

## For further information regarding our VETDSS program, please contact

E [VETDSS@nmtafe.wa.edu.au](mailto:VETDSS@nmtafe.wa.edu.au)

## GENERAL INFORMATION

NMTAFE is the premier training organisation servicing the inner city and northern metropolitan area of Perth, with campuses in Perth, Mount Lawley, Leederville, East Perth, Nedlands, Joondalup, Clarkson, Balga and Midland.

### Attending a VET Delivered to Secondary Students course

You are responsible for your own transport arrangements to and from the NMTAFE campuses.

You are also responsible for ensuring that you attend all scheduled classes, including those that may occur on a school designated pupil free day. Attendance will be recorded and any absences are reported to your school. The school's VET Coordinator will be contacted to discuss the appropriateness of a student continuing if there are repeated absences.

You are required to inform your lecturer in advance if you will be absent from any scheduled classes. Poor attendance may mean withdrawal from the course.

### Student responsibilities

As a student attending a VET Delivered to Secondary Students course at NMTAFE, you will have the opportunity to learn in an adult environment with students of all ages and diverse backgrounds.

There is an expectation that when attending classes you will assume a greater responsibility for your own care and safety than may be the case when attending school.

As with all students enrolled at NMTAFE, you are expected to adhere to the [Student Code of Conduct](#).

While attending NMTAFE, you are under the supervision of the lecturer taking the class.

You will not be supervised during break times.

You are expected to remain within the college grounds unless you provide your lecturer with written notification from a parent/guardian or the school that you intend to leave the college during break times or earlier than the advertised class finish time.

### Work experience

Some courses may involve work practice/experience to support the learning program. Under each course you will find details of any work practice requirements. You will be required to document work practice hours and provide your lecturer with a copy of your logbook. You will be responsible for arranging your own transport to and from the workplace.

### What you will need to bring

Under each course you will find a list of items that you will need to bring with you to complete the course.

### What you will need to wear

You are not required to wear your school uniform when on campus but you are expected to dress appropriately. Where special or protective clothing and/or footwear is required, it must be worn without exception. If you forget to bring protective clothing you will be excluded from the campus workshops/classes and your school will be informed.

# CAMPUSES

## Balga

Our Balga campus is a hub of building and construction training where you can specialise in trades including bricklaying, carpentry, electrical, glazing, plumbing, plastering, tiling and craft trades, just to name a few.

You'll learn in contemporary facilities and on state-of-the-art equipment, so you'll graduate with the industry-relevant trades skills.

Balga is also home to lots of our international and migrant students who are learning English skills through the Adult Migrant English Program and the Skills for Education and Employment program.

This lively and diverse campus is also set for an upgrade, with a \$32 million investment into new facilities and buildings as part of the State Government's Rebuilding our TAFEs program.

## Clarkson

Our state-of-the-art Clarkson campus is our main facility for trades training in Perth's northern suburbs, with a special focus on pre-apprenticeship courses including bricklaying, plastering, tiling, carpentry, joinery, metal fabrication, electrical trades, and more.

Our dedicated workshops and open spaces for each trade mean you get to train in a real-world environment.

The campus is accessible via bus services from Clarkson train station.

## East Perth

Located in the bustling business district, our East Perth campus is close to local cafes, shops and public transport, including the free CAT buses.

Specialising in sustainability and renewable energy, building and construction, mining, surveying, engineering, science and technology training, our East Perth campus is our resources industry precinct. The campus is also home to two of our centres of specialisation, our Mining and Green Skills Training Centres.

## Joondalup (Kendrew)

Our Joondalup campus enjoys a tranquil lakeside location, set among the birds, kangaroos and colourful native flora. We are also co-located with ECU, the WA Police Academy and the City of Joondalup in the Joondalup Learning Precinct.

The campus is only a short walk from Joondalup's central business and shopping district, with convenient access to Joondalup bus and train station, connecting you to the city in less than 25 minutes.

## Joondalup (McLarty)

Located on McLarty Ave in Joondalup, this campus specialises in health and wellness training.

Featuring a state-of-the-art simulation hospital, the facility gives our enrolled nursing and health students a strong understanding of what it's like to work in a hospital environment. It is fully functional and even has the capability to operate as an independent hospital if required in an emergency.

The campus is conveniently located within a five minute walk from Joondalup train and bus station and Lakeside Joondalup.

## Leederville

Located in the heart of Leederville, our campus is close to cafes, restaurants, shops and is just a short walk from the train station.

This campus has a special focus on human services, with training offered in community services, education, early childhood care, aged care, disability services, youth work and mental health.

Our creative music students also learn at this campus in our industry standard professional recording studio and live performance venue with full staging, lighting and sound production. We even host our very own student radio station, BOOM Radio, from this campus.

## Midland

Our Midland campus is just five minutes from Midland Station and the central shopping district, surrounded by the Blackadder and Woodbridge creeks in the hearth of Perth's Swan Valley region.

The campus is a specialist METRONET Trades Training Centre, providing training to support the specific technical and support skills required for rail car manufacturing and METRONET maintenance.

Midland campus also features purpose built trade workshops, hairdressing salon, an operational nursery, and a conservation and land management site.

## Mount Lawley

Mount Lawley campus is conveniently located just a five minute walk from the bustling Beaufort Street café strip and close to public transport.

Known for its focus on health services, our campus features a state-of-the-art simulation hospital. The facility gives our enrolled nursing and health students a strong understanding of what it's like to work in a hospital environment.

# CAMPUSES (CONT.)

## Perth

Our vibrant Perth campus is located in the heart of the Perth Cultural Centre, adjacent to the Blue Room Theatre, Perth Institute of Contemporary Arts (PICA), Art Gallery of WA, State Library of WA and WA Museum.

Our proximity to the Perth Cultural Centre means our Perth campus is the place to go if you're looking for a career in the creative industries. The central location also makes it a great ideal for our business, finance, English and language courses.

## Balga

## Application close date and further information

Applications are closing on 31 August 2025. Visit [northmetrotafe.wa.edu.au/courses/study-types/VETDSS](https://northmetrotafe.wa.edu.au/courses/study-types/VETDSS) for more information.

# AUTOMOTIVE

**AUR20720**

# CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION

## JOB OPPORTUNITIES

Successful completion of this qualification provides you with the opportunity to gain an apprenticeship/traineeship in Automotive.\*

## LEARN HOW TO

- Do minor maintenance and repair cars;
- identify and inspect mechanical and electrical components and systems of light vehicles;
- use and maintain tools and equipment; and
- utilise workplace safety and more.

## COURSE OVERVIEW

- 
**When**  
Thursday or Friday
- 
**Where**  
Midland
- 
**Start and duration**  
Year 10, 11 or 12 start  
1 year (3 terms) duration
- 
**What you need to bring/wear**
  - Personal Protective Equipment - steel cap safety boots, clear safety glasses, long cotton drill shirt and pants.
  - Pens, pencils and an A4 folder
- 
**Informed choices - is this course right for me?**  
I have the following attributes:
  - Ability to work well with manual hand tools and technical aptitude
  - Problem-solving skills
  - Good vision and hearing
  - Communication and customer service skills
- 
**Work practice**
  - N/A, however work experience placements are recommended. The work placement must be initiated by you in partnership with your school.

## PATHWAYS YOUR WAY

\*You will need to be employed and registered as an apprentice/trainee before you can commence apprenticeship/traineeship training.

# BUILDING AND CONSTRUCTION

52887WA

## CERTIFICATE II IN PLUMBING (PLUMBING PRE-APPRENTICESHIP)

### JOB OPPORTUNITIES

Successful completion of this qualification provides you with the opportunity to gain an apprenticeship/traineeship in Plumbing.\*

### LEARN HOW TO

- Conduct basic plumbing;
- weld using oxy-acetylene;
- cut and join sheet metal; and
- many more industry specific skills.

### COURSE OVERVIEW

#### When

Thursday (Balga)  
Friday (Clarkson)

#### Where

Balga or Clarkson

#### Start and duration

Year 10 or 11 start  
2 years (6 terms) duration

#### Work practice

In addition to attending classes you will be required to undertake 150 hours of work placement outside of class time. NMTAFE staff will work with the student and school to organise work practice opportunities.

#### What you need to bring

- Personal Protective Equipment - steel cap safety boots, clear safety glasses, cotton drill shirt and pants
- Writing equipment

#### Informed choices - is this course right for me?

I have the following attributes:

- High level of physical fitness and stamina
- Enjoy practical work
- Ability to work to deadlines
- Ability to work accurately, follow plans and instructions
- Comfortable working from heights

## CERTIFICATE II IN CREATIVE INDUSTRIES (PRODUCT DESIGN)

### JOB OPPORTUNITIES

Assistant Designer | Studio Assistant | Visual Merchandiser | Model Maker |  
Design Administration and Sales Assistant | 3D Design Visualiser

You'll gain foundational skills that can be developed through further study in product design, industrial design, or other creative disciplines.

### LEARN HOW TO:

Love designing cool stuff? In this course, you'll explore how everyday things are made — from idea to 3D model — and create your own original items. Discover how product designers turn big ideas into real objects, from homewares to tools and tech. You'll build hands-on skills and creative confidence that could launch you into a future career in design, tech, or manufacturing.

### COURSE OVERVIEW

**When**  
Friday

**Where**  
Perth

**Start and duration**  
Year 10 or 11 start  
2 years (6 terms) duration

#### What you need to bring

- Closed in flat footwear or work boots
- All hair to be off the face and if longer, will need to be tied back.

#### Informed choices - is this course right for me?

This course could be a great fit if you:

- Have creativity, imagination, and artistic flair
- Enjoy solving problems and thinking outside the box
- Pay attention to detail and love bringing ideas to life
- Are a good communicator and enjoy working in a team
- Are open to sharing ideas and collaborating with others

If you're curious about how everyday things are designed and made — and you're keen to create original work alongside like-minded classmates — this course is for you.

### HEAR FROM OUR STUDENT

Since leaving NMTAFE, I have designed work for several different companies in various industries, including furniture, interior, conveyors, medical and mining.

I now run my own design business in Perth, mainly focusing on furniture, 3D art and manufacturing.

- Jack Flanagan

### PATHWAYS YOUR WAY

**CUA20220**

# CERTIFICATE II IN CREATIVE INDUSTRIES (VISUAL ART)

## JOB OPPORTUNITIES

This entry-level qualification opens doors to a variety of creative pathways. Students may find opportunities as:

Junior Production Assistants | Creative Arts Support Workers | Gallery or Event Assistants |  
Media Production Runners | Freelance Creatives (entry-level)

## LEARN HOW TO:

- Explore and develop creative ideas across different art forms
- Use basic industry tools and technologies
- Work collaboratively on creative projects
- Understand workplace safety and sustainability in creative settings
- Communicate effectively in a creative environment

## COURSE OVERVIEW

### When

Friday

### Where

Perth

### Start and duration

Year 10 or 11 start  
2 years (6 terms) duration

### Incidental costs

Materials Fee: Approx. \$100–\$150 (for art supplies, printing, etc.)  
USB/Storage: Recommended for saving digital work

### What you need to bring

- Closed-in shoes for studio safety
- Enthusiasm and a willingness to collaborate creatively!

### Informed choices - is this course right for me?

I have the following attributes:

- Are curious about working in the creative industries
- Enjoy hands-on, project-based learning
- Want to explore different creative fields before specialising
- Have creativity, enthusiasm, and a willingness to learn

This course is a great introduction to the creative industries. It's hands-on, collaborative, and designed to help you discover your strengths and interests across a range of creative fields. You'll build confidence, communication skills, and a portfolio of work to support your next steps.
