

Outdoor Learning and Adventure

Dive Expedition – Exmouth WA

SCOTCH
COLLEGE

Friday 27 June – Thursday 3 July 2025

Programme Overview

Expedition: Dive - Ningaloo Reef
Country/State: Exmouth Western Australia
Year Group: Year 10

Purpose: This expedition offers students a remarkable opportunity to explore Exmouth and its surrounding marine habitat, an area renowned for its rich biodiversity and pristine waters. Students will gain firsthand insight into the delicate reef ecosystem, encountering a variety of marine wildlife.

A major highlight of this program is the opportunity for students to earn their PADI Open Water Diver certification, an internationally recognised certification that will allow them to dive independently in the future.

Departure: Friday 27 June 2025
Return: Thursday 3 July 2025
Cost: \$ 3500 per person
